

Instructions for joining IET India Membership

Step 1: Choose your membership category

- <https://www.theiet.org/memberapplication/www/index.cfm/membershipType>
- Once you are on the membership landing page, choose the appropriate category of Membership.

Step 2: Create an Account / Log In

- If you have not created an IET web account earlier, go ahead and click “Join” under the third box with the heading “I want to become a member of the IET”
- If you have created an account at an earlier point of time, enter your credentials in the first box and log in

Step 3: Fill in the Registration Form

Please Note

- Take care to enter your first name, last name etc., as these will be used for important communications from our end. Refrain from using initials (alphabets) as first name.
- Make sure you choose ‘India’ from the list of countries under the ‘Country/Region’ option

Step 4: Fill in all your details under various tabs.

Step 5: Payment

Use convenient modes of payment (Credit card, Debit Card, Net Banking) to complete your payment
